

## Divisions

**B. Braun is one of the world's leading healthcare suppliers. In Ireland our three divisions orient their products and services toward different medical fields: hospital, surgery, private practice and extracorporeal blood treatment.**

The Hospital Care Division supplies hospitals with infusion and injection solutions, as well as disposable medical products.

The Aesculap Division focuses on products and services for all of the core processes in surgery.

The B. Braun Avitum Division combines the supply of medical products and services concerning extracorporeal blood treatment.
